WORKING EXPERIENCE

2022 - Present

Freelence

Qualified Hiking & Trekking Guide

I work primarily in the Foreste Casentinesi National Park and I organize guided trekking in the whole of Tuscany. My goals are to raise awareness and inspire people to respect wild-life, to appreciate the beauty of staying outdoor and to slowly enjoy the refreshing power of a day spent nourishing the soul in nature

2021 - Present

SECO S.p.A.

Senior Project Manager

I coordinate R&D teams to develop HW and SW solutions for domestic and industrial applications. The dynamism of the electronic market helped me to develop a positive attitude in problem solving where problem doesn't mean simply "burden" but "growth opportunity"

2011 - 2021

CEG Elettronica Industriale S.p.A.

Project Manager

Coordination activities for project in the Oil & Gas sector
Time and cost monitoring and communication and negotiation capabilities improved by a very challenging environment
